As part of your application, you must also provide answers to the following questions. You should complete these questions in the application portal.

Application	Guidance
How much ARIA funding do you need?	<p>Please provide a cost breakdown by completing the spreadsheet here.</p> <p>Prior to completing this template you should review ARIA's Eligible cost guidance here.</p> <p>You will be asked to complete a more detailed costing template prior to contract/grant signature.</p>
Do you have concerns about sharing concept-level answers on governance structures with other applicants, except where it relates to a specific group's comparative advantage (e.g., recruitment or team composition)? If so, please explain in your response.	<p>Note that, in service of identifying the best governance structure for the entity delivering the TA2 research agenda, we will retain the ability to share the concept-level elements of answers to the questions about governance structures with other applicants, except where this information pertains to the comparative advantage of a specific group, such as considerations with respect to recruitment/team composition. If you have concerns with this, please explain those concerns.</p>

Have you already secured funding for a similar project or are you currently in the process of seeking support from other funding sources for the same project?	If yes, tell us more about the funding you already have or are applying for.
Are there any factors or restrictions that might impact your freedom to operate and deliver the project?	Please provide a detailed description of any perceived conflicts of interest with the programme director, import/export or security restrictions that you are aware of.
Are you proposing to perform substantial parts of the proposed project outside of the UK?	<p>Please provide a brief summary of your proposed plans or commitments.</p> <p>Our primary focus is on funding those who are based in the UK. For the vast majority of applicants, we therefore require the majority of the project work to be conducted in the UK (i.e. >50% of project costs and personnel time).</p> <p>In these instances, you must outline any proposed plans or commitments in the UK that will contribute to the programme within the project's duration.</p>
Please tell us in which region of the UK the proposed entity carrying out the project is located	Please select one of the following regions: North West, North East, Yorkshire and the Humber, West Midlands, East Midlands, East of England, South West, South East, London, Scotland, Wales, Northern Ireland, Other
